A CONCURRENT RESOLUTION

2	To urge and request the state Department of Education to compile statistics for each city,
3	parish, and other local public school system relative to where teachers employed by
4	each system who became certified in 1999 or thereafter received their bachelor's

6	Education and the Senate Committee on Education not later than sixty days prior to
7	the beginning of the 2010 Regular Session of the Legislature.
8	WHEREAS, the Constitution of Louisiana provides that the goal of the public
9	educational system, in part, is to provide learning environments and experiences, at all stages
10	of human development, that are designed to promote excellence in order that every
11	individual may be afforded an equal opportunity to develop to his full potential; and
12	WHEREAS, in order for public school systems to provide the best possible education
13	to the state's students, it would be helpful to know where teachers are receiving their own
14	educations; and
15	WHEREAS, information should be collected and made available as to what
16	percentage of teachers in each public school system received bachelor's degrees from
17	specific colleges or universities, whether in state or outside of Louisiana.
18	THEREFORE, BE IT RESOLVED that the Legislature of Louisiana does hereby
19	urge and request the state Department of Education to compile statistics for each city, parish,
